

S.M.D

Automotive startup kit Going Big

Why to use a startup kit?

Not sure what will sell, first time doing led bulbs, let us help you move the product? Here at smd our goal is selling quality product, so we built here a simple start up kit with the most common items for you to move with the right qty and pricing.

Our philosophy is very simple you sell we sell, so if certain items do not sell just returned it back and exchange with items that sells better in your area.

What is the warranty for the SMD brand? 1 year warranty for all smd led's .

Why buy the SMD Brand?

Here at S.M.D we pride our self's in customer service, support and satisfaction.

We are the biggest importer/Distributor of leds/smds .Our products are designed and engineered in the U.S.A . we always stride our self for a better product , innovation and customer satisfaction.

 <p>S-194-5T 1 PAIR IN PACK - 5 SMD</p>	 <p>S-194-5 1 PAIR IN PACK - 5 SMD</p>	 <p>S-194-9 1 PAIR IN PACK - 9 SMD</p>	 <p>S-DAS-5 1 PAIR IN PACK - 5 SMD</p>
<p>Usage: license plate, dome lights, corner light</p> <p>Qty: 8 price:</p>	<p>Usage: running lights, break lights, reverse, signal</p> <p>Qty: 15 price:</p>	<p>Usage: running lights, break lights, reverse, signal</p> <p>Qty: 2 price:</p>	<p>Usage: running lights, break lights, reverse, signal</p> <p>Qty: 2 price:</p>
